Classic Castors system

Fitted with dome covered spring loaded swivel castors which retract when weight is applied to the steps, giving firm contact with the floor. Dome covers have a double rolled bottom edge together with a protective cover strip and grey non marking tyres.

Tread Clamps

Ribbed rubber treads models are supplied complete with tread clamps ensuring high visibility and preventing edges from peeling.

Steptek

Classic Colour Range

Close fitting continuous single rail guard around top platform, extending down each side of stairway as a short handrail. All Classic models are fully welded throughout and available with ribbed rubber or anti-slip treads. All colour finishes are hard-wearing powder coated.
